

A: Hey, what's your hobby?

B: I like reading books. How about you?

A: I like playing video games. Do you have a favorite book?

B: Yeah, I really enjoy "Harry Potter". Have you read it?

A: Yeah, I have. It's a great book. Do you have a favorite video game?

B: I love "Minecraft". It's so much fun to build and explore in the game.

A: I've never played that one before, but it sounds interesting. Maybe I'll give it a try sometime.

B: You should! It's really addictive, though, so be careful.
