

While visiting Tokyo, I had a delicious sushi lunch at a local restaurant.

The fresh fish was amazing and the wasabi added a great kick to the dish.

Afterwards, I visited the nearby temple and admired the beautiful architecture.

It was fascinating to learn about the history and significance of the temple, and I enjoyed taking in the peaceful surroundings.

Overall, it was a wonderful experience and I felt grateful to have had the opportunity to explore Tokyo. 70~100 中級
